

ACADEMIC APPEALS BY STUDENTS

This form outlines the process by which students may appeal an academic decision involving such matters as final course grades or dismissal from a program. The form itself should be used only if the Step 1 discussion with the academic decision-maker does not produce a satisfactory resolution and the student wishes to pursue the matter to the next level. Additional pages may be attached if more space is needed. Before pursuing an appeal, students should consult Board of Regents Policy 2:9 at http://www.sdbor.edu/policy/2-Academic_Affairs/documents/2-9.pdf.

STEP 1: Initial discussion to question the academic decision

The student must initiate the appeal by contacting the instructor or other individual responsible for the decision (i.e., the academic decision-maker) to question the decision and explain the reasons for doing so. The appeal must be initiated within 30 calendar days of receiving notification of the decision that is being appealed. If notification is provided to the student within 15 calendar days before the end of the term (fall, spring, or summer), the discussion must occur at the latest within 15 calendar days of the start of the next term. Within the first 30 calendar days after notification of the decision, the student may petition the president's designee (see p. 3) for an extension of this timeline if circumstances prevent timely appeal.

STEP 2: To be completed by the student

If the student wishes to pursue the appeal following the discussion with the academic decision-maker, s/he should complete the section immediately below and submit a signed copy to the designated mediator within 5 working days of the discussion. (See page 3 for help in identifying the individual who will serve as mediator.) The mediator will provide a copy of this form to the decision-maker and then will consult with the student and the decision-maker in an attempt to resolve the matter.

STEP 4: To be completed by the designated mediator

The role of the mediator is to facilitate resolution of the appeal through discussion with the student and the academic decision-maker. The mediator is not empowered to change the decision being appealed or to insist that the decision-maker do so. Discussion with the decision-maker and the student should be initiated **within 10 working days** of receipt of this form from the academic decision-maker. Following discussion, the mediator should describe below the attempt to reach resolution and its outcome. **Within 10 working days** of initiating the discussion with the parties, a copy of the completed form is due to the student and the decision-maker.

STEP 5: Final Appeal

If the matter is unresolved after mediation, the student may appeal to the president's designee (see p. 3) **within 10 working days** of receipt of this completed form from the mediator. The appeal at this stage must be submitted as a letter that clearly lays out the basis for the appeal and why it should be granted. A copy of this form (completed and with all required signatures) must accompany the Step 5 appeal letter. Any supporting documentation should also be provided. Upon receipt of the appeal documents, the president's designee will contact the student and offer to discuss the appeal. **Within 15 working days** of receiving the Step 5 documents, the designee will notify all parties of the decision regarding the appeal.
